Our Ambition

Wherever we operate, we aspire to be a pioneering, next-generation green construction company.

Vision

To be a world-class Construction Company which could undertake any kinds of construction works in Ethiopia and internationally.

Mission

To participate on the country's socio-economic development with highest level of ethical and reliable manner and carry out quality construction services to all stakeholders in a timely and cost effective manner.

Strategic Pillars for Growth

To prosper and achieve sustainable growth, we commit to:

- **Asset & Service Excellence:** Actively managing and expanding our portfolio of high-quality assets and services.
- **High-Performance Culture:** Cultivating a high-performance organization where every individual accepts accountability, champions results, and is rewarded for excellence.
- **Stakeholder Trust:** Earning the lifelong trust of our employees, customers, suppliers, communities, and shareholders through transparent communication and a consistent track record of delivering on our commitments.

Core Values

Quality: We shall strive to deliver our works and services with higher level of quality

Fairness & respect: Our fellow employees, customers, suppliers and subcontractors shall be treated with fairness and respect

Environment: We shall protect the environment

Do the right thing: We are committed to doing the right things at all times

Team Work: We will work as a team with all project stakeholders

Accountability: All employees will be held accountable for their assigned responsibilities

Safety: We are all responsible for the safety of our employees, subcontractors and the public. Our equipment will be well maintained in a safe condition

Continuous improvement: We will encourage continuous improvement and sustained growth.

We will recruit and retain the best people and provide them with training and education

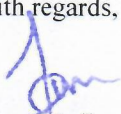

Relationship: We will be an understanding and respected partner who adds value to all relationships

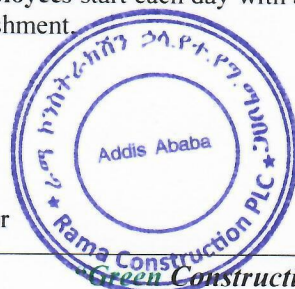

Our Definition of Success

We successfully create shared value through teamwork when:

- **Our Shareholders** realize a superior, sustainable return on their investment.
- **Our Customers and Suppliers** derive measurable benefits and growth from our business relationships.
- **Our Communities** value our presence and respect our commitment to corporate social responsibility.
- **Our Employees** start each day with a clear sense of purpose and end each day with a profound sense of accomplishment.

With regards,

 Ferew Tedla
 Managing Director

Green Construction Company of the Next Generation
